FLORAL PINE

DISINFECTANT DEODORIZER

DESCRIPTION

FLORAL PINE is an advanced formulation that combines powerful cleaning properties with commercial grade disinfectant for a long lasting perfumed fragrance.

APPLICATION

As a multi-surface disinfectant cleaner, FLORAL PINE can be used for cleaning toilet bowls, urinals, flush handles, taps, walls, floors, telephones, cookers, fridges, waste receptacles, drains, bin centers etc.

FEATURES

- Contains active 2% Benzalkonium Chlorine
- Double action power effectively cleans and disinfect at the same time
- Destroys odor-causing bacteria and leaves behind a lingering pleasant air-freshener effect
- Contains perfume boosters and fixatives for strong initial impact and long lasting deodorizing action

METHOD OF USE

Dilute 1 Parts to 10 parts of water. Apply by mopping or with a trigger spray. To ensure complete disinfectant, allow the solution to penetrate and act in hidden areas such as drains, under sinks, behind pipes and fittings. Do not rinse.

SAFETY

Protective gloves should be worn to avoid prolonged skin contact. Splashes on the eye should be flushed with plenty of water and medical advice obtained.

PACKING

5 litres and 25 litres

Important Notes

Chemforce product data sheets are regularly reviewed and available on request. The successful use of this product is dependent on a number of factors. As the information contained in this literature can only be of a general nature, it is advisable to consult our technical department if there is any doubt about the correct use of this product in a particular application. Our Sales and Technical representatives are available to provide further technical and commercial assistance.
