FORCE STEEL

POWERED STAINLESS STEEL CLEANER

DESCRIPTION

FORCE STEEL is a powdered designed cleaner to remove stubborn and rust stain on hammered or grained stainless steel surfaces of lift and panel.

APPLICATION

FORCE STEEL is ideal for removal of stubborn stain on stainless steel surfaces which are hammered or grained.

FEATURES

- Non-toxic, non phosphorus substance
- Remove stubborn stain off grained stainless steel surface
- Remove rust off stainless steel surfaces safely
- Restored new surfaces for badly stained stainless steel surfaces
- No acidic content in product

METHOD OF USE

Wet the surfaces to be cleaned with damp cloth. Sprinkle FORCE STEEL on damp cloth or sponge; rub surfaces of stainless steel in the same direction of the grained. Wipe the surfaces with damp cloth and dry immediately with a soft cotton fabric/towel.

PACKING

Carton (12x400 gm), 5 kg Pail and 20 kg Pail

Important Notes

Chemforce product data sheets are regularly reviewed and available on request. The successful use of this product is dependent on a number of factors. As the information contained in this literature can only be of a general nature, it is advisable to consult our technical department if there is any doubt about the correct use of this product in a particular application. Our Sales and Technical representatives are available to provide further technical and commercial assistance.
